Webstore Benefits

ADDITIONAL REVENUE

Botrow webstores allow our clients a hassle-free way of selling their tickets and rentals online. This creates a new avenue for revenue to be generated.

DEMAND CONTROL

Botrow webstores allow clients to limit or expand the number of tickets available as well as track how many tickets have been sold. Doing so allows for better staffing & better customer experience.

KIOSK INTEGRATION

Botrow webstores can be fully integrated with our kiosks. This means that tickets purchased online can be picked up in person from the self-serve kiosk.

EASE OF REFUNDING

Botrow webstores also provide our clients with a simple way of refunding and changing ticket dates if required.
